Dear Parents and Community Members,

The Lebanon Township Education Foundation (LTEF) was established in 2006 by Lebanon Township Community Members to provide educational enrichment within Lebanon Township. Last year, ongoing community generosity enabled us to complete the Woodglen Sport Court. This year, the LTEF plans to fund an integrated audio/video system for the Valley View auditorium. This system will be used at special school programs, parent programs, all school meetings, assemblies, and on numerous other occasions. Additionally, the LTEF Board has already voted to fund several teacher grants. In the coming weeks, we will be donating devices to bring technology to our Kindergarten classrooms, a new 3D projector for the fourth grade team, incentives for the third grade running program, and new software for the resource program!

Our continued success depends on the generosity of community members like you! We need your support to help us meet our \$10,000 goal! If you haven't donated yet, please do so today! We welcome donations to this campaign in any amount! Donations of \$100 or more will be recognized on our website and a plaque inside Woodglen.

Visit our website to donate through PayPal: <http://ltefuture.org/donate>

Donations can also be mailed to: **LTEF at PO Box 431 Glen Gardener NJ 08826**

We thank you for support and wish you a very happy holiday season!
